

DEWALT

XR FLEXVOLT

DCD240X2 DUAL HANDLE PADDLE MIXER

World's first Cordless Mixer with Brushless Motor providing the equivalent power of a 1800W corded machine

Dual handle ergonomic design critical width and angle dimensions to reduce user fatigue through extensive user research

Speed mechanical transmission
Electronic variable speed = 0 – 700RPM
slow ramp up and ramp down – reducing material spread

M14 Threaded chuck accepts all the accessories brands with same standards

INCLUDES

- M14 paddle
- 2 batteries
- Charger
- kitbox

Battery house minimize dirt and mixing material around terminals of battery fits all FLEXVOLT batteries

- 5 Electronic speed dial
- 1- 300rpm (slow ramp in speeds)
 - 2- 450rpm
 - 3- 550rpm
 - 4- 650rpm
 - 5- 700rpm (soft brake)

Safety lock off switch minimize the risk of the mixer starting when on its side or new battery inserted

All metal transmission for high duty cycle

MIX UP TO
18 BAGS
FOR A FULL DAY'S WORK*

BRUSHLESS

54V
LITHIUM ION

DCD240X2*

Voltage	54 V
Battery chemistry	Li-ion
Battery capacity	9.0 Ah
Max. paddle size	160 mm
Spindle thread	M14
Speed settings	5 speeds
No load speed	0/225/350/475/600/725
Soft start	Yes
Switch	Lock off
Weight (without battery)	5.1 Kg

*Available as bare unit (DCD240N)

** Mixing Multi-finish Plaster per day with 160mm paddle
