

DW876-GB

Band Saw, 200mm 220V

FEATURES

- All steel welded construction provides extreme rigidity and accuracy even at maximum depths of cut
- Fitted with high quality precision blade, designed to stay sharp for up to 10 times as long as standard blade types
- 500 x 500 mm aluminum extruded table provides a large support area built for flatness and accuracy
- Easy to adjust blade tensioning with integrated tension indicator for different blade types and applications
- 310 mm throat and 200 mm depth capacity for large workshop applications
- Micro switch incorporated in door to prevent accidental starting while open
- 100 mm dust extraction port for efficient dust control
- Two speed control for various applications
- Powerful induction motor for long maintenance free life and low noise

SPECIFICATIONS

Power Input	1000 Watts
Power Output	750 Watt
Max. Cutting Height	200 mm
Max. Cutting Width	310 mm
Cutting Speed	380/880 m/min
Table Size	500x500 mm
Weight	54.0 kg
Depth	650 mm
Length	770 mm
Height	1590 mm
Sound Power	95.0 dB(A)
Sound Power Uncertainty	3.0 dB(A)
Sound Pressure	82.0 dB(A)
Sound Pressure Uncertainty	3.0 dB(A)
